

OPEN FUNDRAISING – EVENT REPORT

September 11 (Winnipeg)

The Liberal Party of Canada has moved forward with the strongest standards in federal politics for more open and transparent party fundraising events, and is challenging other parties to do the same.

The Liberal Party believes that fundraising events with Ministers, Party Leaders, and Leadership candidates as special guests should meet even stronger standards for transparency, including advance posting, hosting in publicly accessible spaces, timely reporting of event details and guests, and the facilitation of media coverage.

The Liberal Party's own independent steps were implemented in advance of legislation that has been proposed by the government. For more details, please visit: liberal.ca/openfundraising
